

FARMERS PLEASE NOTE 5 Per Cent EARLY-DELIVERY DISCOUNT ON MOGAL and TITAN TRACTORS

NEARLY five thousand of our boys in khaki and blue are coming back to work. We shall, of course, make a place in our organization for every one of them, but we wish to do it without throwing out of employment the men who took their places and have worked faithfully for us ever since. This is not going to be so easy for us for some others, because the Government designated ours as an essential industry during war, and we actually increased the efficiency of our organization after our boys left to join the ranks.

We can, however, give steady work both to our present help and to the returning soldiers and sailors, IF WE CAN BRING ABOUT AN IMMEDIATE INCREASE IN TRACTOR PRODUCTION. In order to do this we must move forward to the farm some thousands of tractors that are ordered for delivery at various dates up to May 1st, and we shall also have to ship a large number of tractors that farmers intended to order later this season, but could just as well take now. To those farmers who are so situated as to be able to take advantage of it we make the following proposition:

OUR Early-Delivery Discount Plan

If you will take delivery of a Mogul or Titan tractor now we will reward your co-operation as follows:

To those who will accept delivery of a Mogul or Titan 10-20 on or before March 8th we will give an Early Delivery Discount of 5 per cent from the price of the tractor. (This amounts to \$61.25 in the case of the Titan 10-20 and \$56.22 on the Mogul 10-20.)

After March 8th the following Discounts will be given:

For Delivery during week of March 10 to March 15 inclusive	4 per cent
" " " " " 17 " " 22 " " 3 " "	"
" " " " " 24 " " 29 " " 2 " "	"
" " " " " 31 " April 5 " " 1 " "	"

This discount will go a long ways toward paying the fuel bills of your tractor during this season.

By taking advantage of this Early-Delivery Discount, you will not only be helping yourself, but will enable us more easily to put back to work our army of returning boys without breaking up our present organization. You will find that you need a few weeks to get acquainted with your new tractor. The man who has his tractor early can become familiar with it, so that when the first day of good plowing weather dawns, he will be

able to get in the field without a moments' lost time. That in itself is a very good reason for taking early delivery.

Go to your dealer and tell him that you will accept immediate delivery of your Mogul Titan 10-20 horsepower tractor, so he can make up his carload shipments without delay.

Thedford's

Black-Draught

Mrs. W. F. Pickle, of Rising Fawn, Ga., writes: "We have used Thedford's Black-Draught as a family medicine. My mother-in-law could not take calomel as it seemed too strong for her, so she used Black-Draught as a mild laxative and liver regulator. We use it in the family and believe it is the best medicine for the liver made." Try it. Insist on the genuine—Thedford's. 25c a package. E-75

EVERYBODY IS NOW FIGURING INCOME TAX

In Order to Be Helpful to Public,
Internal Revenue Bureau
Has Every Available
Officer in Field.

SEVERE PENALTIES IF YOU DELAY BEYOND MARCH 15

With the due date for Income Taxes only a few weeks away, the collection of this far-reaching tax on 1918 incomes has started off with a bang. Everybody is figuring income tax.

Payments and sworn statements of income must reach Internal Revenue offices on or before March 15, and there are severe penalties for delinquency. Residents of Tennessee are required to make their returns and pay their taxes to Edward B. Craig, Collector of Internal Revenue, Nashville, Tenn., or to any of his deputy collectors who are now doing free advisory work on Income Tax.

"Pay your Income Tax by March 15," is the slogan of the Internal Revenue Bureau, which has sent every available officer into the field to help the public to understand the requirements and to prepare the returns.

Who Must Make Return.

It is estimated that many thousands of single and married persons in this section of the United States who have never before made annual returns are required to do so this year.

Income tax returns must be made between now and March 15 by persons who come under the following classifications:

Any unmarried person whose 1918 net income was \$1,000 or over. Widows and widowers, divorcees and married persons who are living apart from their husbands or wives, are for the purposes of the Income Tax classed as unmarried.

Any married person living with wife or husband whose 1918 net income was \$2,000 or over. The income of both husband and wife must be considered, together with the earnings of minor children, if any.

Revenue Bureau Offers Aid.

Each person in the United States who is in either of these classifications must get busy at once if penalties are to be avoided. He should secure a blank Form 1040 A for reporting net income up to \$5,000, or Form 1040 if his net income exceeded that amount. Forms are being distributed by Collectors and their Deputies, also by banks. By following the instructions on the forms a correct return can be prepared at home. If a person needs advice or aid, the Deputy Collectors in the field will furnish this without charge.

The new Revenue law places the Income Tax duty on citizens and residents. The Internal Revenue Bureau is sending its men to work right with the public to get the tax and the returns in. With active co-operation, every tax due March 15 will be paid and every return required by law will be in the Revenue offices on time.

Exemptions Allowed.

A single person is allowed a personal exemption of \$1,000. If he is supporting in his household relatives who are dependent upon him, he may claim the status of the head of a family who has the same exemption as if married.

A married person, who lives with wife or husband, is allowed a personal exemption of \$2,000. The head of a family is entitled to claim a similar personal exemption.

An additional exemption of \$200 is allowed for each person under eighteen or incapable of self support, who was dependent upon and received his chief support from the taxpayer.

A husband and wife living together are entitled to but one personal exemption of \$2,000. If they make separate returns, the exemption may be claimed by either or divided.

Accuracy Required.

Absolute accuracy is necessary in making up income figures. Any person who is working for wages should find out exactly how much he received during the whole year 1918. Fees, bank interest, bond interest, dividends, rents received, and all other items must be reported correctly. Mere guesses are not accepted, for they are unjust alike to the taxpayer and the Government, and defeat the proper administration of the law.
